Office Memorandum

UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

DATE: 28 October 1958

FROM : Chief, Orientation Faculty, IS

SUBJECT: Weekly Activities Report #42, 22 - 28 October 1958

1. Intelligence Orientation

a. Intelligence Orientation #25 is proceeding smoothly, although Room 2241 R&S provides somewhat less than adequate facilities for visual aids, showing of films, and general comfort. Conditions are crowded for both speakers and students despite a small enrollment of 27. We doubt if more than 30 students could be accommodated adequately. We are hoping for a return to the Auditorium as soon as possible.

b. The student body, in general, has proven to be an attentive and interested one, although the grade level is rather low (average GS-7).

c. Mr. [] is revising the IO final exam, to be given 31 October, to bring recent changes in intelligence organization up to date.

2. Signal Center Refresher Course.

Signal Center Intelligence Refresher #2 is scheduled to begin 4 November. Mr. [] has developed the course schedule, which parallels the first program given in July, with the addition of a lecture on Dissemination of Intelligence by Mr. []. The course will run for six mornings, a total of 18 hours, and will be conducted entirely by the Orientation Faculty, with the exception of a two hour lecture on International Communism, given by an SIC instructor.

3. Intelligence Products Exhibit

About 100 visitors from Army, State, Navy and Air Force will be attending the Intelligence Products Exhibit on 29 October. Messrs. [] will brief the visitors on the mission and functions of CIA. Mr. [] has notified all exhibitors of the change in date.

DDS

Total 84, of 110 on the lists. It is just as well that NSA decided to defer the visit of 80 to 100 additional. We could have handled them, but with difficulty.
